

A Tiny Paper With References

John Doe

Abstract

We present a tiny example showing citations in PDF text [1].

1. Introduction

This paragraph cites one prior work [1] in a standard bracket style.

We also cite a second work [2] to ensure multiple targets.

2. Methods

Our method is purely illustrative and repeats the citation [1] again.

References

[1] J. Doe. 2020. A tiny paper. Journal of Testing.
